Discussion was held on Resolution #2012-182:

The resolution presented by Clinton County Attorney Mike Wolf would allow his assistant county attorneys to follow the vacation accrual schedule in the Clinton County Department Head Personnel Handbook. The assistants currently follow the regular Clinton County Personnel Handbook. He said that would provide more flexibility for the assistants.

Assistant County Attorney Ross Barlow agreed. He said it is not uncommon to bring files home at night or to work on the weekend. He said the change would give the assistant attorneys flexibility to take time off when it becomes available in the schedule to take time off. Barlow said an assistant recently left because of the lack of flexibility in scheduling.

Human Resources Consultant Paul Greufe said when establishing benefit policies, it is his opinion all employees should be treated the same. If not treated the same it could drive a wedge between employee classes. Greufe recommended that the change not be made. Greufe doesn't believe the department head policy should apply to assistant county attorneys as they do not manage the office. Greufe said if this were allowed, any department head could come forward with the same request for their seconds in charge. He said it could also lead to the Board of Supervisors in the future judging who is part of that same group and who is not.

Davisson said they are considered a "professional" level of service. She believes an assistant county attorney would rise to that level of professionalism. She likes to compensate those individuals who have that level of professionalism in their jobs to encourage retention.

Greufe suggested revisiting the department head employee policy. He added all the employees accepted the job and knew what the benefits were when they accepted the job.

Staszewski said he agrees with Greufe that this will create issues among departments. He wants to review the department head employee handbook to find a solution. Greufe warned reviewing the department head policy may not resolve the request from the county attorney's office. Greufe also pointed out that assistant attorneys get paid more for their professionalism.

The following resolution was presented and on motion tabled.

## **RESOLUTION #2012-182**

WHEREAS, the Clinton County Attorney recommends, as applied to the Assistant County Attorneys, modification of the "Length of Service" and "Amount of Vacation" provisions found in the Vacation section (pp. 14-15) of the "Employee Handbook for Clinton County Government" (approved by the Board of Supervisors January \_\_\_, 2012) to be similar to the "Length of Service" and "Amount of Vacation" provisions contained in the Department Head Employee Benefit Policy. The County Attorney desires to meet the goal of parity based upon similarities in responsibilities and professionalism.

BE IT RESOLVED the Clinton County Board of Supervisors adopts the attached modification titled "Assistant County Attorney Vacations" effective July 1, 2012.

Motion made by Supervisor Davisson to table Resolution #2012-182 for further study to be brought back at a yet to be determined time.

The Board of Supervisors discussed allowing the consideration of a resolution to approve a tax sale certificate redemption that was not listed on the agenda.

Mike Wolf, Clinton County Attorney, reviewed Chapter 21 of the Iowa Code in relation to public notification.

Clinton County Community Assistance Coordinator Kim Ralston explained the resolution needed prompt consideration because the deadline for the redemption is Wednesday. She said the individual has properly paid the fees due.

Wolf said his opinion is this resolution meets the "good cause" clause of Iowa Code, Section 21.4(b).

It was determined that the resolution would be considered under lowa Code Section 21.4(b) for good cause.

The following resolution was presented and on motion adopted.

Clinton County Auditor Eric Van Lancker reminded the Board of Supervisors of the meeting Thursday to consider a resolution for certain fiscal year end budget transfers. The meeting will begin at 8 a.m.

10:23 A.M. Public Hearing – Future Land Use Map

## **PUBLIC HEARING**

Chairperson Schmidt called the Public Hearing to order at 10:23 A.M. Present were Supervisors Staszewski and Davisson; Executive Assistant Tibbetts; County Auditor Eric Van Lancker; County Engineer Todd Kinney; County Zoning Administrator Gail Thomas; and members of the press and public.

The purpose of the Public Hearing was to solicit comments to an amendment to the Clinton County Future Land Use Map.

Proof of publication was presented, accepted and returned for filing.

Clinton County Zoning Administrator Gail Thomas received a comment from a person who does not live within the required 500-foot notification area. She read the letter from Scott Kaczinski who lives north of the area. Kaczinski wrote a letter opposed to the rezoning as it could be a traffic hazard due to the increased traffic that would result from the homes being added by the subdivision.

Motion made by Supervisor Staszewski to adjourn the Public Hearing.

#### 10:27 A.M. Public Hearing – Rezoning Bousselot

#### **PUBLIC HEARING**

Chairperson Schmidt called the Public Hearing to order at 10:27 A.M. Present were Supervisors Staszewski and Davisson; Executive Assistant Tibbetts; County Auditor Eric Van Lancker; County Engineer Todd Kinney; County Zoning Administrator Gail Thomas; and members of the press and public.

The purpose of the Public Hearing was to solicit comments to the Phil Bousselot rezoning request.

Proof of publication was presented, accepted and returned for filing.

The Scott Kaczinski letter referenced in the previous public hearing was also acknowledged during this public hearing. Thomas said the Zoning Commission met on May 23<sup>rd</sup> and approved the rezoning to R-1.

Clinton County Engineer Todd Kinney spoke about a driveway study done for the area earlier this year. He said driveway #2 was marginal, but all the driveways met the minimum requirements. He said driveway #3 had an issue meeting the requirements for a driveway within 150 feet of an intersection. Kinney said there was discussion on moving the driveway. This issue could be addressed in the subdivision plat approval phase.

Supervisor Davisson said she remembers limiting the development across the street from this one to one or two homes. She was not sure if this will cause issues by moving ahead with a larger subdivision across from the previous development.

Thomas said the proposed site will only allow for no more than five homes. She said the zoning commission also considered Davisson's same concerns before forwarding its recommendation for approval.

Motion made by Supervisor Davisson to adjourn the Public Hearing.

Roll Call:

Staszewski: Yes Davisson: Yes Schmidt: Yes
